QUESTIONS

- Who did you go with?
- What sort of movies do you like best?
- What's your favourite movie and why?
- What do you think about 3D movies?

2.2. True or False с 3:06 минуты на видео:

1. The speaker goes to see a movie every weekend.
2. He buys his ticket online.
3. He prefers to sit at the end of a row of seats.
4. He thinks people who check their mobile phones during the movie are annoying.
5. He has seen the new Star Wars movie.

2.3. Выберите правильный вариант. (текст из видео, просмотрите его еще раз, особенно начиная с 3:06).

I really enjoy (1) *to go/going* to the pictures, and go to see a movie (2) *most/every* weekends. I always check the film listings in the newspaper or online to see what's (3) *shown/showing*. I also read the film reviews because I don't want to see a bad film, especially as it's (4) *so/such* expensive nowadays.

I prefer to arrive (5) *early/soon* at the cinema so I don't have to queue (6) *too/to* long to buy a ticket. Sometimes, the film I want to see is sold (7) *up/out*, so I might buy a ticket for a (8) *later/latest* showing.

I usually sit in an aisle seat somewhere (9) *in/at* the middle of the cinema. I think you can see the film (10) *best/better*. You risk (11) *to strain/straining* your eyes if you sit in the front few rows.

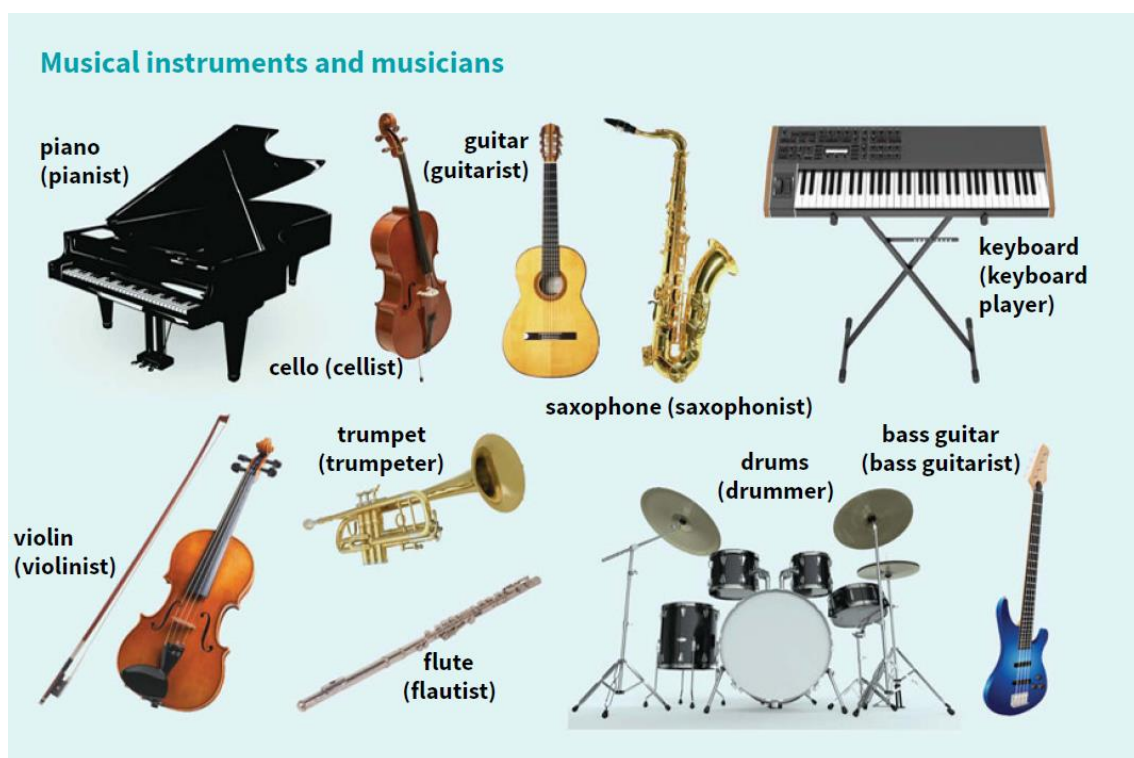

One thing I don't like is when people in the audience (12) *talk/discuss* during the movie, or check their mobile phones. That really annoys me. Everyone (13) *could/should* be able to enjoy the film (14) *with/in* peace.

My favourite films are Hollywood blockbusters. I love the Avengers series and (15) *can/can't* wait to see the new Star Wars movie. (16) *However/Although*, I never go to see old black and white foreign films with subtitles. They can be so (17) *boring/bored*!
